Name of publication:

Encoding a one-dimensional topological gauge theory in a Raman-coupled Bose-Einstein condensate

Authors: Craig S. Chisholm, Anika Frölian, Elettra Neri, Ramón Ramos, Leticia Tarruell, Alessio Celi
 Magazine: Phys. Rev. Research 4, 043088 (2022)

1.	Contact Person:	
	Name:	Leticia Tarruell
	University:	ICFO
	Email address:	leticia.tarruell@icfo.eu
2.	Publication Source/Journal Reference:	Phys. Rev. Research 4, 043088 (2022)
3.	Where was the data taken (institution):	ICFO (numerical simulations)
4.	Location of the long-term data archive:	ICFO
5.	Publicly accessible: yes/no	No (paper is open source, numerical data can be obtained from the corresponding authors upon request)
6.	Accessible to:	
	Name:	Leticia Tarruell
	Name:	
7.	Codes/Lab software used:	Numerical simulations: XMDS2
